The B'nei Yissoschior writes: "There is a tried and proven Chocimas Harefnah in Chodesh Iyar to cleanse the kidneys and gal; since most weaknesses and disease is a result of food that is bad for the body... Because in Chodesh Iyar they started to eat the mann [in midbar] which absorbed in the organs and healed all types of illness, therefore, this month remains a segulah forever to cleanse and heal."

אזכרה ה' שערי ציון שערים המצויינים
בהלכה יותר מבתי כנסיות ובתי
מדרשות, הנני לפניכם על דבר הישיבה
הקדושה "שערי תורה" שהתחדשה
בשנה זו בכוחות רעניים, וב"ה
שהשקעה עושה פרי וקול תורה נשמע
בהיכל הישיבה בכל שעות היום, ובחורי
הישיבה נתעלו בתורה וירא"ש
ורואיהם יעידו כי זרע בוך ה' המת.

אמנם, כידוע שההוצאות רבו מאוד,
והעול הכבד המונח על כתפי העסקנים
קשה עליהם לסבול ללא עזר מהציבור.

ע"כ אבקש מתושבי עירנו לבוא לעזרת
ה' בניבורים, לסייע בנטף ובמזון כדי
שיתקיים מקום תורה חשוב זה בעירנו.

Dear Readers

Following on from my letter a couple of weeks ago, I wish to make readers aware that the new single AET (amount UC claimants need to earn) of £893.00 will put one over the limit for mandatory pension enrolment. Employees can choose to opt out of pension enrollment, but this must be communicated to the employer.

For employees who do not opt out, you must be aware that £893 is the net amount that must be earned and so the gross amount before pension deductions must be higher than £893.

Please speak to your employer/payroll department for further details.

Dear S.K.

Thank you for addressing this subject, their is always a lot important points to discuss. As a wife of a shadchan I have a lot to say about this subject.

- 1) Shidduchim are from Hashem ה' וכבוד יתן ה' השתדלות היא הטובה.
- 2) What's more painful - to get wrong suggestions or no phone calls?
- 3) You say in plural Shadchanim, meaning that they all have it wrong?
- 4) Maybe help them out and give them the families you prefer. However, think about it, the same way that you think some families are not appropriate could be the families you want are telling off the shadchanim for suggesting such an inappropriate shidduch to them. Shadchunim work on feedback.
- 5) The shadchan can only offer what's available, they cannot create ideas which they don't have.
- 6) Once your child is a while in shidduchim it's very important to

speak to das Torah about what is negotiable.

7) Yes, shadchanim need chizuk, shadchanim need money after being hours and hours on the phone with no success.

S.L.

Dear Upset Mother of Bochorim

Something tells me that this letter writer had some intention of brewing up some controversy. But for arguments sake, letter writer, it is so upsetting to hear you talk like that.

Shadchanim are NOT employed by you and they do not do their job for the money (which is not substantial at all).

Rather it is a pure Chesed Shel Emes and every time a Shadchan calls you, they do it in order to build another Jewish home.

It is precisely people like you that are sadly getting Shadchonim so put off to continue their rare and holy work. Hence the severe lack of Shadchonim.

They are not out to upset you and yes there are people that will suggest things that are unsuitable, simply because they don't know your family well enough.

Instead of taking this to heart, tell them a big thank you and hopefully they will return with suitable suggestions.

Oif simchos by all.

R. Fischer

Dear S.K.

I was very sorry to hear about your experience with shadchonim. The Chofetz Chaim writes that it is אסור to talk loshon hora about a group of people. When using the term 'shadchonim' you are being רע שם דע

on all shadchonim, whilst your experience might have been with 2 or 3 shadchonim.

I have an excellent shadchante who actually does her own information about the boy/girl before suggesting it to either side. She tries very much to suggest ideas that the parents feel comfortable with. She is not pushy and does an excellent job. Her number can be found via the Write Lines.

In the meantime, you should know that each suggested shidduch brings you nearer to the real one, and at the right moment, השם בעזרת השם things will happen. Besurois toivois

From someone with the same initials as you.

S.K.

Dear Readers

Does anyone know of a fixed line telephone company (not mobile line) that does NOT charge for calls when talking over an hour?

S.B.

Dear Readers

I would like to give a simple tip to get rid of ants. Just put out some baby powder (any brand) and they'll literally disappear within a few hours.

Tried and tested.

Dear Readers

My teenage daughter is showing extreme signs towards being anorexic.

Does anyone have experience with this? I seem to be hitting a lot of dead ends or long waiting lists and I obviously want to deal with it as quickly as possible.

If you have any information to share, please contact me via the News Update.

Thank you
